

Project:	Residential Housing, Bristol		
Status:	Ongoing <input checked="" type="checkbox"/>	Complete <input type="checkbox"/>	Other <input type="checkbox"/>
Summary:	Contracted to undertake remedial works/completion of works on a large housing scheme including S278 works.		
Sector:	Housing		
Services:	Drainage rectification, underground surveys, S278 Works, completion of external works.		
Client:	Equans		
Main Contractor:	Equans		
Start Date:	January 2022		
Location:	Bristol		
Value:	£1,500,000		
Scope of Works:	BCL were asked by repeat client Equans to continue works to the Dunmail Development after their groundworker had entered administration. This involved a large amount of survey work, understanding the current condition of the project and then formulating a plan to proceed to completion. Remedial and rectification works were required to the drainage, substructures and external works (including S278 Works).
